THOUGHT LEADERSHIP OPPORTUNITIES

Learning Tracks

The ASCM CONNECT Annual Conference educational sessions are aligned under twelve session topics, each addressing the fundamental issues of a resilient and sustainable supply chain. The content within these session topics is specifically structured to provide the best possible learning experience for conference attendees.

1. End-to-End Supply Chain Orchestration
2. Emerging Trends and Innovation
3. Supply Chain Planning
4. Manufacturing
5. Logistics and Fulfillment
6. Sourcing and Procurement
7. Talent, Leadership and Transformation
8. Digital Capabilities, Technologies and Enablers
9. Sustainability, Circularity and Climate
10. Stability, Resilience and Agility
11. Advanced Analytics, Data and Information
12. Startup Supply Chain

EDUCATIONAL SESSION FORMATS

Solo or Joint Presentation

The Solo or Joint Presentation format offers flexibility in content delivery, enabling both individual presenters and pairs to share their insights and expertise about a particular topic. It brings advantages such as the opportunity for a deep dive into a topic, engaging interactions, expert collaboration and increased audience engagement. This format is well suited to meet diverse learning preferences and proves to be a valuable choice for professional education settings.

Session Length: 60 minutes | **Room Capacity:** 100-250 | **Room Setup:** Theater

Attendee Engagement Level: Low

Panel Discussions

A Panel Discussion is a dynamic and engaging format that allows your team to host industry subject-matter experts, clients and other team members. They come together to share their diverse insights and experiences about a specific topic, making this format a valuable choice for various settings. With multiple panelists offering a range of viewpoints, these discussions provide a comprehensive exploration of a subject, enriching the content and ensuring a well-rounded understanding. Interactivity and audience participation thrive in this format, as panelists engage in debates; answer questions; and share practical, real-world insights, enhancing the audience's engagement and understanding.

Session Length: 60 minutes | **Room Capacity:** 100-250 | **Room Setup:** Theater
Attendee Engagement Level: Medium

Connection Café

The Connection Café is one of the most popular session formats at ASCM events. It offers a unique opportunity for your team to engage with attendees in a more meaningful way. This format provides a 60-minute session, which includes a 20-minute presentation followed by a 40-minute group discussion. During the group discussion, we invite you to prepare two thought-provoking questions for the attendees. Each question will be discussed for 10 minutes at individual tables, and participants will then share the highlights of their discussions with the larger group. Presenters will have the flexibility to move among different tables during the group discussions, adding their insights to the table conversations.

Session Length: 60 minutes | **Room Capacity:** 50-70 | **Room Setup:** Crescent Rounds
Attendee Engagement Level: High

* If you cannot find your preferred session format, we will assist in tailoring your session format to ensure your Thought Leadership engagement aligns with your goals.
