- A global and diverse community of attendees to build new relationships with. I'll be able to network with industry leaders and peers from a wide variety of companies and industries that can lead to new partnerships, collaborations, business opportunities, and more.
- Access to expert insights through breakout sessions facilitated by thought leaders I can actively engage with — like seasoned ASCM and global supply chain industry leaders.

Here's the approximate breakdown of the costs for me to attend. The price is discounted the earlier you register:
