## Corporate Membership Benefits Overview

### Company Web Portal:

Each package provides access to a personalized company portal, making it easy to manage employee memberships globally. The portal also gives individual employees the ability to engage with APICS.

### Executive Summit:

Exclusive APICS-sponsored retreat for Corporate Member executives. This two-day strategic meeting focuses on supply chain challenges in the global economy and is designed to build relationships through networking.

*Corporate Members can each send one executive by invitation only.*

### Corporate Advisory:

Network with Global 2000 Supply Chain Leaders. The APICS Corporate Advisory serves as a forum where leaders can interact with the APICS executive team to serve as a corporate sounding board regarding APICS products/services and develop a community of key corporate contacts who share common goals/interests.

*Corporate Members can each send one representative by invitation only.*

### Supply Chain Hub:

This private app, open to Corporate Members, provides a real-time platform to engage with peers across industries, regions and trends.

*Unlimited access for corporate executive, process experts, functional and process leaders.*

### SCOR BPM Accelerator (Powered by Software AG):

The SCOR BPM Accelerator powered by ARIS is software that enables organizations to design, manage, and measure their global supply chain processes using SCOR level one through level five metrics. It boosts the power of the SCOR framework exponentially by making it easier to customize the tool to your specific supply chain environment and provides insight into the dynamics of your business processes and how they connect to supply chain management systems.

*Corporate members get a substantial discount on the purchase of the BPM Accelerator.*

### APICS Virtual Career Fair:

The APICS Virtual Career Fair connects you with our vast, global community of professionals. The online format provides an easy, effective way to discover qualified talent who are looking to advance their careers in the industry. This is a unique opportunity to easily recruit members of our organization in a virtual setting.

*All Corporate members receive a free booth at the event.*

### Discount on APICS Annual Conference Registration:

APICS annual conference brings together thousands of professionals from around the world, and covers topics from all areas of the value chain. The conference features speakers from top organizations, authors, instructors, and innovators.

*Corporate members receive a discounted registration rate.*

### Group Discounts on Training, Education & More:

Corporate members are eligible for group discounts for training, events, seminars and more.

*Members receive group training discounts on talent development programs, centered around our best-in-class credentials: CPIM, CSCP, CLTD, SCOR-P. Discounts also apply to Principles training. Discounts do not apply to SCOR Transformation Accelerator projects.*
